2	Student1691005	Maham Noor
3	Student1695204	Asadullah
4	Student1436102	Mishal ALi
5	Student1694234	Amanullah Khan

Problem Statement

Ocean Fleet is a modern marine service platform that provides luxury yacht and cruise experiences for customers seeking memorable sea journeys. With the growing demand for online booking systems and premium digital experiences, the organization aims to enhance its online presence by developing a visually appealing, user-friendly, and responsive website.

The existing need is to design a website that reflects luxury, professionalism, and ease of navigation while showcasing yacht services, pricing plans, galleries, and essential customer interaction features. Therefore, the organization has approached us to design and develop a modern website that improves user engagement and strengthens its digital identity.

Requirement Specification

The website is designed based on the following requirements:

- 1.The Home Page should be created with proper sections, attractive graphics, animations, and a suitable logo.
- 2.The Home Page must include navigation links such as:
 - Home
 - Gallery
 - Luxury
 - Sailing
 - Fishing
 - About Us
 - Contact Us
- 3.The look and feel of the website must be user-friendly, modern, and visually consistent, with uniform color combinations inspired by marine and luxury themes.
- 4.The website should include sections such as:
 - Hero Section
 - Yacht Introduction
 - Luxury Yacht Information
 - Gallery Section
 - Pricing Plans
 - Login & Registration System
 - Newsletter Subscription
- 5.Navigation of the website must be smooth and responsive across all devices.
- 6.Site Map
- 7.Gallery

ACKNOWLEDGEMENT

I am grateful to all those who have contributed directly or indirectly to the completion of this project. I would like to express my sincere gratitude to my faculty, Sir Haris Naseer, for his continuous guidance, encouragement, and valuable feedback throughout the project. His professional support and motivation played a significant role in the successful completion of this website.

SYNOPSIS

Ocean Fleet is a premium digital platform that showcases luxury yachts and cruise experiences designed for sea travel enthusiasts. The website provides a visually rich and user-friendly interface that allows visitors to explore various yacht categories, destinations, and pricing plans with ease.

This project is more than just an informational website; it is an interactive experience that connects users with the elegance and excitement of marine adventures. Through carefully structured sections such as hero banners, yacht introductions, galleries, and pricing plans, users gain a clear understanding of the services offered.

Ocean Fleet also emphasizes modern web technologies, responsive design, and smooth animations to ensure accessibility across all devices. With integrated user interaction features such as login, booking actions, and newsletters, the website delivers a complete and professional digital solution for luxury marine services.
